25<sup>th</sup> June 2024

Dear Parents.

As we are approaching hot weather we would ask that you dress your child in cool clothing

We would ask that you put sun cream on in the mornings and we will reapply as needed with your consent.

Please can you also provide a hat for your child and bottles for drinking water for the day. We want to make sure that your child is protected and kept safe throughout the day, as we have planned outings most weeks.

As the weather is hot we will be doing water play and using the swimming pool so please make sure your child has a spare change of clothes just in case they do get wet, if you do not want your child to participate in water play or using the swimming pool then please do let us know

Thank you

Happy tiney home Nursery
